

COCAL CONFERENCE SCHOLARSHIP APPLICATION

Must be received by June 17, 2016 – please submit to Mary Ellen Goodwin at megsplace2@sbcglobal.net

Information:

A limited scholarship fund is available to help reduce conference costs for individuals for whom additional financial support is needed in order to attend COCAL. Scholarships may be full or partial and may include waivers of conference fees, fixed dollar amounts, or per diems for food. These funds are disbursed to recipients at the conference. Preference will be given to contingent faculty members.

We expect that successful applicants for scholarship funds will also apply for assistance from any other possible funding sources, such as an employer, AAUP chapter, local union, or disciplinary association; if helpful, the COCAL scholarship fund committee will send a request for matching funds to other organizations.
